

# LOWER SALT CREEK WATERSHED PLANNING

## Got Photos?

**Calling all shutterbugs!** We are looking for photos that capture what you value about living, working, learning, and playing – as well as problems and solutions you’ve seen – throughout the Lower Salt Creek (LSC) Watershed planning area. These photos could be used in the LSC Watershed-based Plan, on the LSC project webpage, and in presentations given at various meetings around the LSC planning area and beyond.

Subject areas of interest include:

- Landscapes
- Streamscapes
- Lakescapes
- Local cultural aspects
- Outdoor recreation
- Natural area restoration activities
- Wildlife and plants
- Stream and lake monitoring
- Outdoor educational activities
- Stream and lake clean-up events
- Signs (e.g., roadside stream name signs, interpretive signage about best management practices)
- Problems – both urban and agricultural (e.g., streambank, shoreline, and land erosion; polluted rainwater runoff; invasive species; in-stream trash; etc.)
- Best management practices (BMPs) for pollution control – both urban and agricultural (e.g., streambank or shoreline stabilization, buffer strips, bioswales, rain gardens, green roofs, natural landscaping, permeable pavers, storm drain markers, oil & grit separators, street sweeping, catch basin vactoring, etc.)

Please submit photos in **JPG** format (high resolution is best), accompanied by a bit of information for each photo:

- Subject
- Location
- Year and Month photo taken
- Photographer’s name/affiliation (so proper credit can be given!)

Please provide your photos and photo information to Holly Hudson at CMAP via:

- a) e-mail\* or file transfer to [hudson@cmap.illinois.gov](mailto:hudson@cmap.illinois.gov)
- b) on a CD via:
  - mail to 233 S. Wacker Dr., Ste. 800, Chicago IL 60606,
  - or
  - in person at a LSC meeting

**\*Note:** CMAP’s e-mail server can accept up to 20 MB in attachments in each e-mail.

Photos submitted before October 6, 2017, will be considered for use in the draft LSC Watershed-based Plan. Photos submitted before Nov. 30, 2017, may be considered for use in the final LSC Watershed-based Plan.

**Questions?** Please contact Holly Hudson (312-386-8700, [hudson@cmap.illinois.gov](mailto:hudson@cmap.illinois.gov)) or Kelsey Pudlock (312-386-8712, [kpudlock@cmap.illinois.gov](mailto:kpudlock@cmap.illinois.gov)). We look forward to seeing what your camera has captured!
